

ASSIGNMENT STRUCTURE #2

Your class has attended a panel discussion on what methods governments should use to discourage the use of private cars in the centre of the city. You have made the notes below.

Methods governments could use to discourage the use of private cars in the city centre

- investment
- education ✓
- taxes ✓

Some opinions expressed in the discussion

'Make businesses pay parking levies for their employees and they'll move out of the city centre.'

'Improve the public transport system, then people won't need their cars.'

'If people understood how much better pedestrianised city centres are, they wouldn't want to bring their cars in.'

Write an essay for your tutor, discussing **two** of the methods in your notes. You should **explain which method you think is more important** for governments to consider, **giving reasons** to support your opinion.

You may, if you wish, make use of the opinions expressed in the discussion but you should use your own words as far as possible. Write your **essay** in **220-260 words** in an appropriate style.
