Kanaalweg 29A, 3526 KM Utrecht

€ 12,50 - € 14,00 per uur - Parttime

As a working student, you will work within Orbisk's Operations team. You will participate in the entire process, spanning from the packaging and delivery of Orbi units (Orbisk's solution to food waste) to Dutch customers, to the preparation of Orbi units for dispatch to international customers.

Your responsibilities as a Working Student within the Operations team include:

Preparing and checking the shipment of Orbi's;

Support in preparing the Orbi's for shipment, such as final assembly, packing and labelling;

Delivery and installation of Orbi's at the premises of Orbisk's customers.

OVER HET BEDRIJF

Orbisk is a start-up with a clear mission: to make the global food system more sustainable. The start-up provides complete insights into the food flows of hospitality organizations. Orbisk does this by offering a smart camera and scale that uses image recognition to register which food is thrown away, when and in what quantity. The customer can view this data in the dashboard, which provides insight into food wastage and can be used to reduce it.
