

# Assignment TSE 6101

- Choose an academic/scientific topic that interests you and on which you can take position
- Provide **at least 3 English articles** that support the claims you are going to make in your essay.
  - Based on academic research
  - Use **Google Scholar** to find appropriate sources
- Submit the articles and topic to your teacher for approval first!
- Write the essay during the testweek.
  - Only allowed to sit when your outline has been approved
